Now Bill creation include addition of customer, items, discount, amount to be paid and payment method, notes, terms & conditions

The screenshot displays the 'Bharat Billing Service' app interface for creating a bill. The left sidebar contains navigation options: Dashboard, Create Bill (highlighted), Manage Bills, Manage Items, Customers, Payments, Reports, Business, and Settings. The main area is titled 'Customer' and features a search bar with the placeholder text 'Search by name or phone number...'. Below the search bar is an 'Items' section with a shopping cart icon and the message 'No items added yet. Click "Add Item" to get started'. At the bottom of the main area are text input fields for 'Notes' (containing 'Thanks for choosing us') and 'Terms & Conditions' (containing 'Items are not replaceable'). On the right side, the 'Bill Summary' panel shows: Items (0), Subtotal (₹0.00), Discount (0%), Total Amount (₹0.00), and Paid Amount (0 (max: ₹0.00)). A 'Create Bill' button is located at the bottom right. Annotations with arrows point to various elements: a search bar, an '+ Add Customer' button, an '+ Add' button, a 'Paid Amount' input field, a discount input field, and the 'Create Bill' button. Text labels provide instructions for each: 'Search customer by name, number if already existed', 'For new customer click on "Add Customer"', 'For adding item click on "Add"', 'Apply discount using this section', 'For paid amount by customer, fill the paid amount', and 'Click on "Create Bill" for generation of bill'. A legend at the bottom indicates that the search bar and 'Create Bill' button are both labeled 'Search customer by name, number if already existed'.
